

Parent & Carer Panel

Join us to help shape our services at the Family Hubs in Kensington and Chelsea.

North Locality: Saturday 3rd August 2024 at 11am - 1pm

The Parent & Carer Panel is where parents and carers collaborate with us, to help design and evaluate our services.

We strive to amplify the voices of those who are often unheard in our community to create a supportive and inclusive environment for all families.

Come along to meet other families and discuss your ideas for the Family Hubs and how you can get involved!
