

## **Community Open Week**

Free entry and activities for community groups 14–18 May 2025

Explore the Gardens and learn about our exciting science and conservation work.

Take part in a fantastic range of free workshops, talks and games to celebrate trees! Suitable for all ages and abilities.

New community groups and Community Access Scheme members are welcome.

To find out more, visit: kew.org/community-open-week or email community@kew.org
